Instructions for Schedule AMD, Amended Return Explanation of Changes

General Instructions

Use this form to explain changes made to your individual income tax returns, credit claims and schedules for tax years 2017 and after. Visit www.michigan.gov/taxes to locate tax forms.

When to File an Amended Return:

File an amended return only after your original return or claim has been filed and completed processing. If you are claiming a refund on your amended return, you must file it within four years of the due date of your original return. For example, if you wish to amend a 2021 return, the amended return must be postmarked by April 18, 2026.

Supporting Documentation

To avoid processing delays, if the change to your income tax return is due to a change on your Michigan or federal schedules, include a copy of the corrected schedule(s) with your amended return. Include all applicable supporting documentation to substantiate the change. This may reduce the need for Treasury to contact you for additional information. Applicable supporting forms, schedules and documentation of the change(s) include, but are not limited to:

- Forms or documentation corresponding to the box(es) checked on page 1 of Schedule AMD
- Copies of the Internal Revenue Service (IRS) audit report, notice, federal transcripts or other supporting documents
- Copies of your amended federal return and schedules
- Copies of other state return(s)
- Copies of your original or corrected W-2(s), 1099(s), and/or U.S. *Schedule K-1(s)*
- Copies of your property tax statement(s) and/or lease agreement(s).

To Amend Credit Claims

Use this form when the Amended Return box is checked on the *Michigan Individual Income Tax Return* (MI-1040) and you are amending the following credit claims:

- *Michigan Historic Preservation Tax Credit* (include a corrected Form 3581)
- *Small Business Investment Tax Credit* (include a Michigan Strategic Fund certificate)
- *Farmland Preservation Tax Credit Claim* (include a corrected MI-1040CR-5 and Schedule CR-5).

If you are amending the following credits and have no adjustments to your MI-1040, check the Amended Return box at the top of each credit claim; do not file a new MI-1040 or the Schedule AMD:

- *Michigan Homestead Property Tax Credit Claim* (MI-1040CR)
- *Michigan Homestead Property Tax Credit Claim for Veterans and Blind People* (MI-1040CR-2)
- *Michigan Home Heating Credit Claim* (MI-1040CR-7).
NOTE: An amended MI-1040CR-7 claim requesting an additional refund will not be accepted after September 30 following the year of the claim.

Amending for a Net Operating Loss Carryback

For tax years 2017 and prior, to carryback a Michigan net operating loss, see *Application for Michigan Net Operating Loss Refund* (Form MI-1045). For tax years 2018 through 2020, to carryback a Michigan net operating loss, see *Michigan Net Operating Loss Carryback Refund Request* (Form 5603-CARES Act). For tax years 2021 and after, to carryback a farming loss, see *Michigan Farming Loss Carryback Refund Request* (Form 5603).

Example 1

John and June file their MI-1040. After filing, they received a corrected W-2 form which showed an increase in Michigan withholding. To amend, John and June complete a new MI-1040 with the corrected withholding amount and check the Amended Return box at the top of page 1. They also complete a Schedule AMD by checking box 6i to indicate the reason for amending and writing “Corrected W-2 received after filing original return” in the Explanation of Changes box on line 8. When filing their amended return, John and June must include the *Michigan Schedule W* with their MI-1040. They must also provide a copy of the corrected W-2 as applicable supporting documentation for the change.

Example 2

Albert files his MI-1040 with an MI-1040CR. After filing, Albert realizes the property taxes levied on his original claim were under reported. Albert only needs to amend the MI-1040CR. To amend, Albert completes a new MI-1040CR with the correct amount of property taxes levied and checks the Amended Return box at the top of page 1. Albert does not need to complete a new MI-1040 or the Schedule AMD; neither are needed to amend only a credit claim. When filing the amended credit claim, Albert includes copies of his 2021 summer and 2021 winter property tax statements as applicable supporting documentation.
